Facility Rentals

The Township's facilities (Keystone Complex, pavilions, baseball diamonds and soccer fields) are available to rent.

Please contact Brittany at
communications@southwold.ca or
519-769-2010 for available dates and rental fees.

Please do not flush "Flushable" wipes

Wipes don't break down and are causing pumps in the Talbotville Wastewater Treatment plant to break.

DOING SOME SPRING CLEANING AND WANT TO GET RID OF SOME LARGE ITEMS?

Residents of the Township of Southwold can use the St. Thomas Community Recycling Centre. Some items are free. Some items are charged by the tonne.

Check out their website for more information.

SPRING HYDRANT FLUSHING

April 10th to May 5th Ontario Clean Water Agency (OCWA) will be conducting spring flushing of hydrants.

During flushing, residents may experience a drop in pressure. Any disruption should be of a short duration and should only occur while mains in the area are being flushed. It is recommended that you turn on a cold water tap, preferably in a laundry tub, to flush out your service once flushing has occurred in your area. If there is an aerator on your tap, remove it prior to flushing your taps.

If you have any questions, contact the Township of Southwold at 519-769-2010.

Nominations for our 2023 Volunteer Recognition will be accepted until June 30th, 2023.

Categories, Criteria and Nomination Forms can be found on our website.
www.southwold.ca

A BIG thank you goes out to all of our VOLUNTEERS. We appreciate your contribution to our community.

Watch for details on our Volunteer Recognition Evening to be held in November!

July 31st is the deadline to submit your applications for the 2023 Southwold Scholarship Award.
